Single-Page Portfolio Website Structure

Header / Navigation

FRAMEWRK logo on the left

Navigation on the right:

HOME · SERVICES · WORK · ABOUT · CONTACT

All navigation items smoothly scroll to their respective sections on the same page.

Optional CTA button:

START A PROJECT ↗

01: HOME

Hero

Large, visually dominant opening section.

FRAMEWRK MEDIA

Tagline

Supporting Line

With CTA

Use a full-screen video / showreel / constantly moving visual collage in the background.

Trusted By

A horizontal scrolling strip of:

CLIENT LOGOS · BRANDS · ORGANISATIONS · COLLABORATIONS

02 : SERVICES

What We Do

Instead of long descriptions, make this a visual service grid.

BRANDING

Identity · Strategy · Art Direction · Brand Systems

SOCIAL MEDIA

Content Strategy · Campaigns · Social Design · Management

CONTENT PRODUCTION

Photography · Videography · Reels · Films · Production

CREATIVE & DESIGN

Campaigns · Graphic Design · Digital Design · Creative Direction

A small line underneath:

Strategy. Creativity. Production. Execution.

Everything you need to take an idea from frame one to final output.

03: WORK

This should be the hero section of the website after the opening.

EVENTS

Then use a large editorial-style portfolio grid.

Case Study Popup

When someone clicks a project:

PROJECT NAME

Client: XYZ

Category: Campaign / Production

THE CHALLENGE

Short description.

THE IDEA

Creative thinking and strategy.

THE EXECUTION

Photography · Film · Social · Design · Campaign

THE RESULT

Reach · Engagement · Leads · Growth etc.

Then a visual gallery/video section.

[HAVE A SIMILAR PROJECT? → LET'S TALK]

This keeps the user on the same page.

04: WHO WE ARE

FrameWrk Media is a creative media house working across strategy, branding, content, production and digital experiences.

THE PEOPLE BEHIND THE FRAME

Founders + core team.

Use large portraits / candid photographs, with very minimal text.

Name

Founder / Creative Director

Name

Co-Founder / Strategy

etc.

05 — CLIENTS / COLLABORATIONS

You can either keep this within Home or give it its own visual section.

PEOPLE WE'VE CREATED WITH

Three categories:

BRANDS

Logos

CREATORS/Artists

Creator portraits / names

FOUNDERS

People / companies you've worked with

07: CONTACT

This should be a big closing section, not a standard boring contact form.

HAVE AN IDEA?

LET'S FRAME IT.

Short line:

Tell us what you're building, launching, changing or imagining.

[START THE CONVERSATION ↗]

Then a simple form:
